### SPECIAL OFFER – HILLINGDON NEIGHBOURHOOD WATCH

CCTV on residents' properties has already played a very big part in reducing crime in Hillingdon, especially residential burglaries. Experience shows that most burglars will go to the front door first to see if anyone is at home before breaking in, and a High Definition CCTV camera sited to cover the front door acts as an excellent deterrent, as well as providing images of evidential quality.

*CAMSEC Security Ltd is now pleased to be able to offer a special CCTV package to senior citizens who are members of a registered Watch.*

If you are a homeowner aged 65 years young or over and you are a member of a Watch that is registered with the HNW Office at Ruislip Police Station, OR if you are a vulnerable adult\*, **CAMSEC Security Ltd** will install a high definition starter system consisting of:

- 1 x 2.1MPixel HD-TVI camera
- 1 x 4-Channel HIKVISION HD-TVI Digital Video Recorder (DVR)
- 1 x 1TB hard drive
- All necessary fixtures and fittings, wired in, up and running

**The special offer on this package is a discount of 20% off our normal price.**

This gives you the option of adding up to three further cameras either at the time of install or at some future point in time (you can ask for a free estimate when you contact us).

The camera will be installed to avoid looking into public areas unless you request otherwise (following an EU ruling, cameras that *film beyond your boundary* are required to be registered with the ICO for a fee of £35/year).

To register your interest, request a free site survey or to find out if you qualify for this offer, please contact **CAMSEC Security Ltd** with your name, address and telephone number either by email at [sales@cam-sec.co.uk](mailto:sales@cam-sec.co.uk) or by calling Phil Jarvis on **07881 953077**. We will then check directly with HNW to confirm that you are on a registered Watch. Those who do not qualify are welcome to take advantage of our competitive prices and professional service.
